

## First virtual meeting of the Global Science Community on Remote Instrumentation

Tania Altamirano L.  
Communities General Coordinator  
RedCLARA

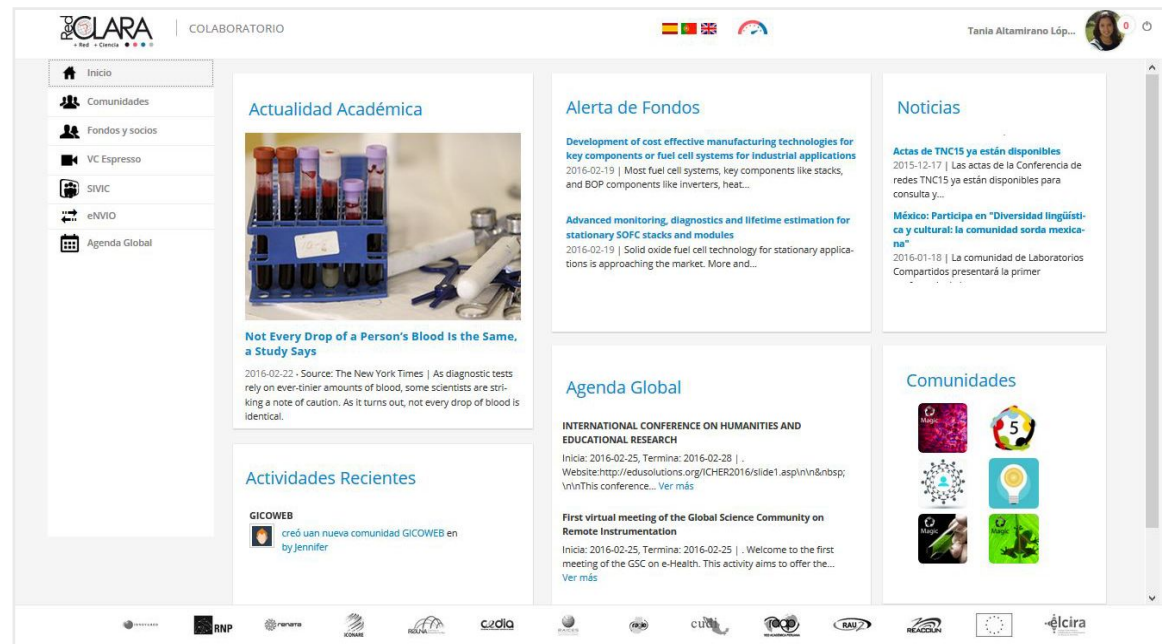

February 25, 2016

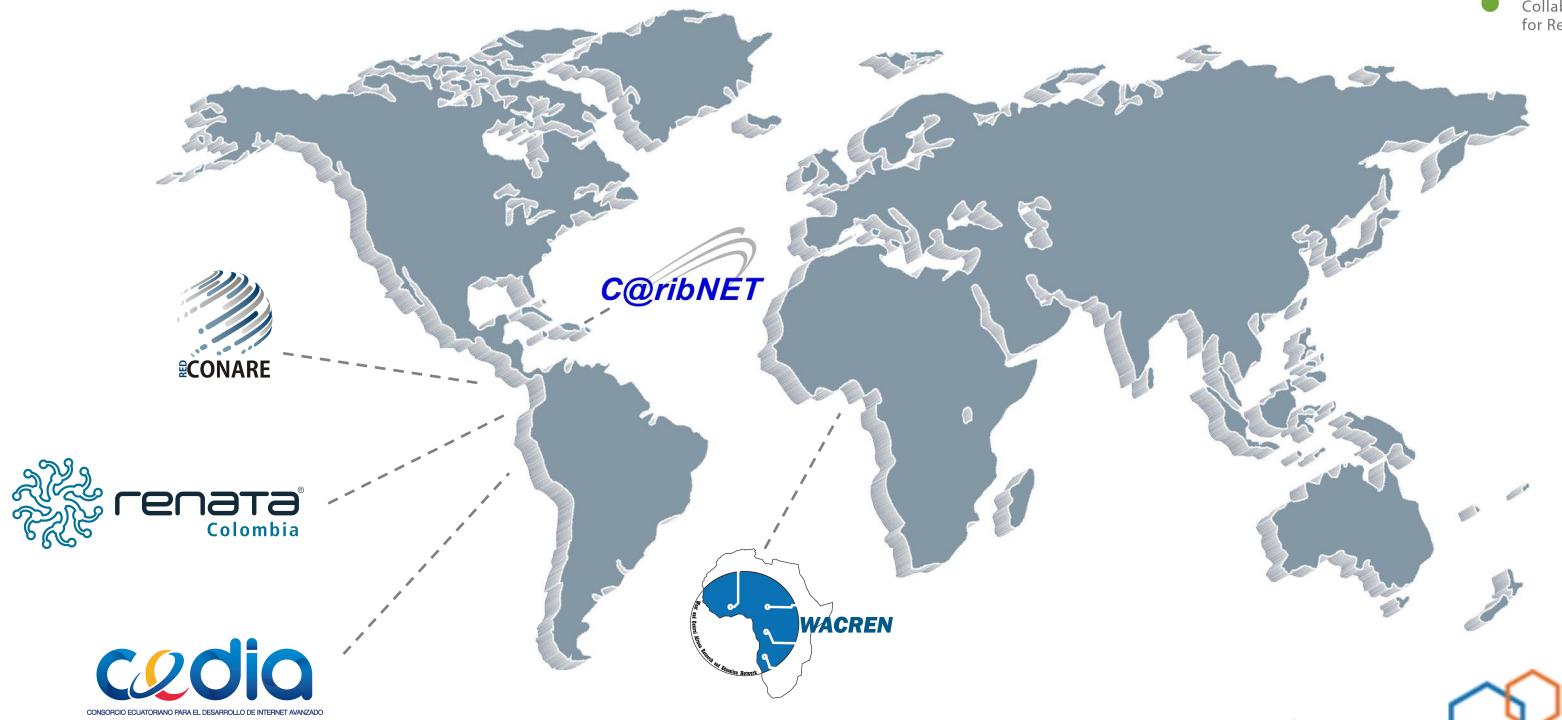

# What's Colaboratorio?

Platform developed by RedCLARA to support and promote the collaboration of scientists and academic groups initially intended for users in Latin America.

# What's Colaboratorio?

# What's Colaboratorio?

The screenshot shows the main interface of the Colaboratorio website. It features a navigation menu on the left with options like Home, Communities, Partners Finder, VC Espresso, SIVIC, and eNVI0. The main content area is divided into three columns: 'Academic Breaking News' with an image of hands, 'Funds Alert' with text about EU-LAC Foundation's Open Call, and 'News' with an article about the RedCLARA Compendium of Latin American NatL. The website is in Spanish and includes a search bar and user profile information.

This screenshot displays the RedCLARA website interface. It includes a top navigation bar with the RedCLARA logo and 'COLABORATORIO' text. The main content area is organized into several sections: 'Actualidad Académica' featuring a large image of a ship and an article about seismic movements; 'Alerta de Fondos' with news about fuel cell urban trucks; 'Noticias' containing various project announcements; 'Agenda Global' listing upcoming events like the 3rd International Conference on Mathematical Sciences; and 'Comunidades' showing a grid of community icons. The interface is in Spanish and includes a search bar and user profile.

The screenshot shows the RENATA website interface. It features a search bar at the top with the text 'Buscar una comunidad'. Below the search bar, there are several community listings with profile pictures and names, such as 'Mailman dev-changes' and 'nren test'. The right side of the page has an 'Agenda Global' section with various event listings. The website is in Spanish and includes a search bar and user profile information.

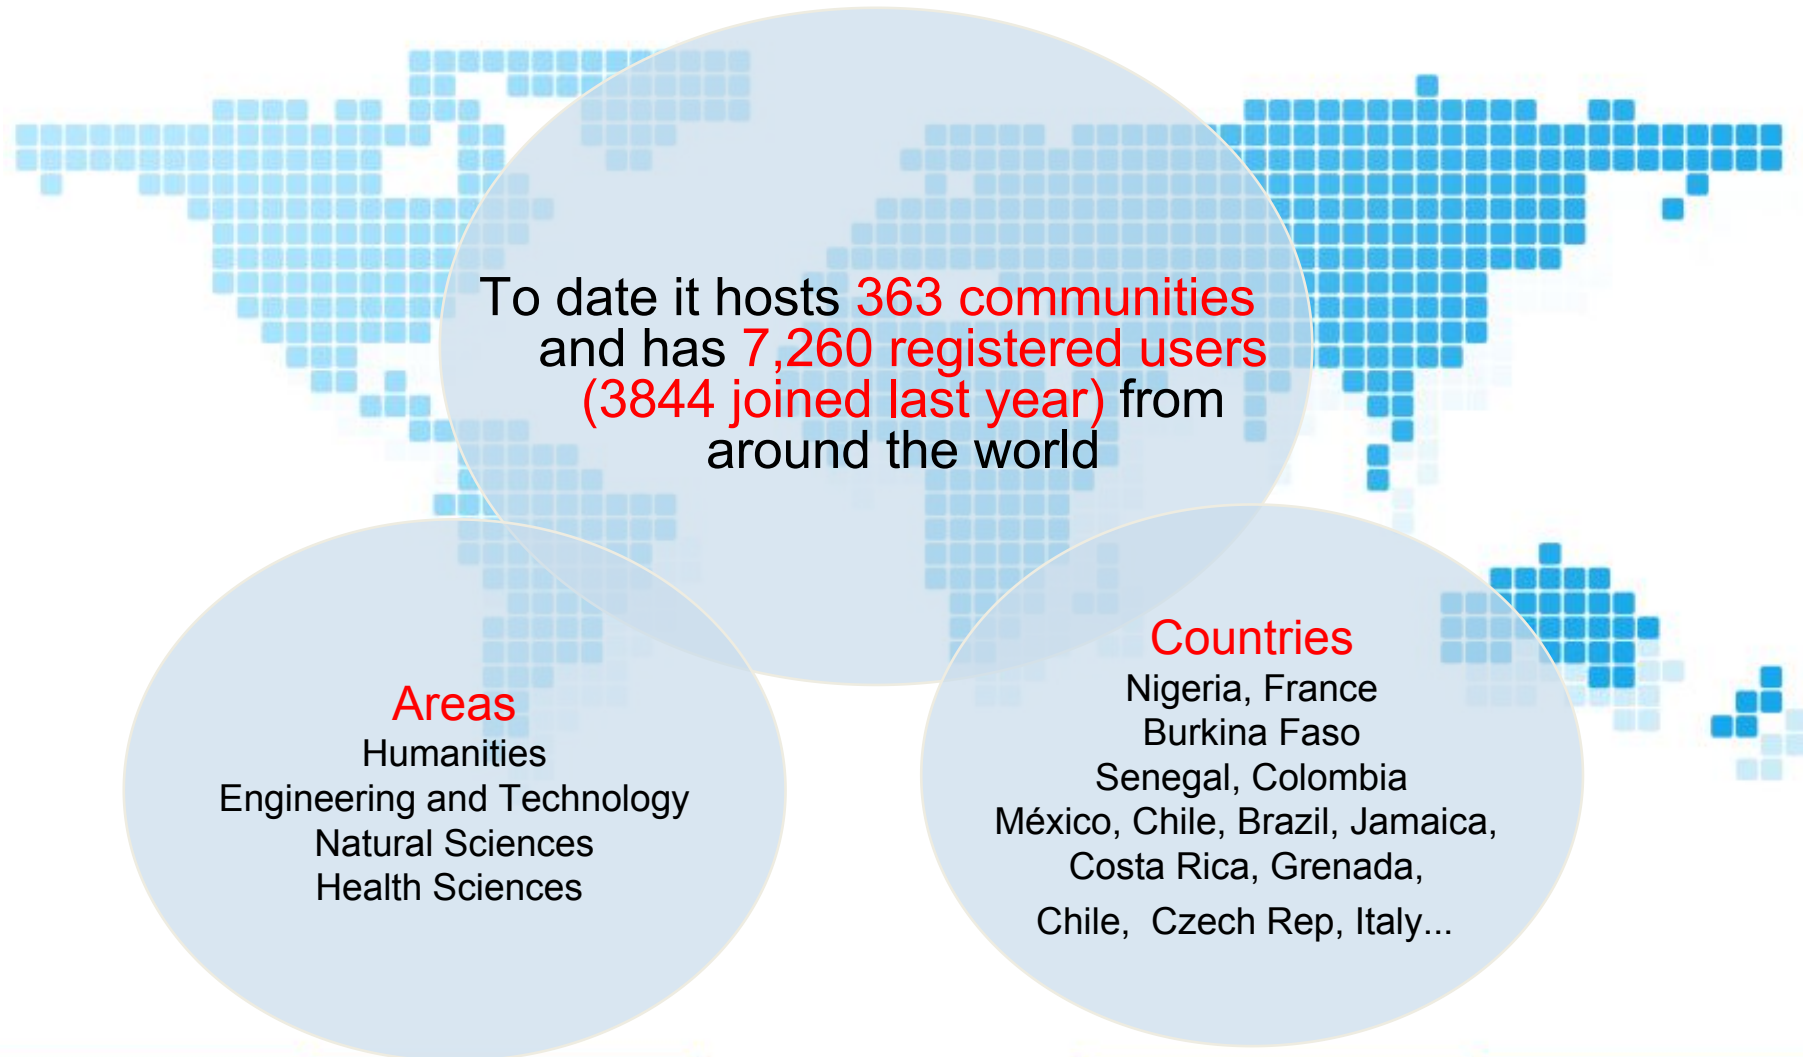

# Who use Colaboratorio today?

Magic

Middleware for collaborative Applications  
and Global virtual Communities

# What can we do on Colaboratorio?

The screenshot shows the Colaboratorio web application interface. At the top, there is a navigation bar with 'Home', 'Language' (with flags for Spanish, English, and Portuguese), and 'Logout'. Below the navigation bar, the main content area is divided into several sections:

- Home:** Displays the ECLARA COLABORATORIO logo and a 'Services menu' on the left with numbered items 4 through 8.
- Indicator to connection to an advanced network:** A red dashed line points to the top of the page.
- Funding opportunities:** A red dashed line points to the 'Funds Alert' section.
- Latest News:** A red dashed line points to the 'News' section.
- User Profile:** A red dashed line points to the user profile icon in the top right corner.
- Scientific articles:** A red dashed line points to the 'A1' article titled 'A Scientist Becomes a Photographer to Help Save Our Oceans'.
- Access to events:** A red dashed line points to the 'Global Agenda' section.
- Acces to frequently used communities:** A red dashed line points to the 'Communities' section.

The interface includes a sidebar menu, a main content area with articles and news, and a footer with various logos and navigation icons.

# What can we do on Colaboratorio?

## eNVIO: Large files transfer

- Complete the fields of the form, choose the file to be sent and write the recipient email (you have up to 10GB for every transfer).
- Define the period of time in which the material will be available for download; after 20 days the system will delete your files automatically.
- eNVIO allows you to upload files with extensions doc, xls, pdf, docx, odt, xlsx, mov, rar and zip. If you want to send more than one file or your document has a different extension, compress them and use one of the two last formats to upload them.
- Only the people you have shared the file with, will receive an email with a link to download it.

# What can we do on Colaboratorio?

eNVIO: Large files transfer

A screenshot of the eNVIO web interface. The page title is "eNVIO Large Files Transfer". On the left, there is a navigation menu with options: Home, Communities, Partner Finder, VC Espresso, SWIC, eNVIO (highlighted), and Global Agenda. The main content area has three tabs: "Send File", "Guest Voucher", and "My Files". Below the tabs are fields for "To" (with a placeholder "Multiple email addresses separated by , or ;"), "From" (filled with "carlos.gonzalez@redclara.net"), "Subject" (filled with "Subject"), "Message" (a large empty text area), and "Expiry date" (filled with "17/11/2015"). At the bottom, there is a "Select your file" section with a "Browse" button and the text "No file attached". The top right corner shows the user profile "Carlos González" with a notification badge "21". The footer contains various partner logos including RNP, CLARA, and others.

# What can we do on Colaboratorio?

Funding and partners: Open funding calls and partner/collaborator

The screenshot shows the COLABORATORIO website interface. On the left is a navigation menu with options: Home, Communities, Funding and partners (selected), VC Espresso, SIVIC, eNVIO, and Global Agenda. The main content area is titled "Funding and partners" and includes a search bar with "Funds" selected, a search input field, and buttons for "Advanced search" and "My alerts". Below this is a "Calls" section with filters for "Suggest Fund", "Recent", and a dropdown for "5". Three funding calls are listed:

- Horizon Prize - Materials for Clean Air** (2018-01-23): Clinical medicine - Health sciences - Health biotechnology. Funding: EUR 1,000,000 - 3,000,000.
- Horizon Prize - Breaking the optical transmission barriers** (2016-03-15): Electrical engineering, electronic engineering and information engineering. Funding: EUR 100,000 - 500,000.
- Horizon Prize - Food Scanner** (2016-03-09): Electrical engineering, electronic engineering and information engineering - Health sciences. Funding: EUR 1,000,000 - 1,000,000.

On the right side, there is a "Looking for partners" section with the message "There are no announcement" and a "Read more" link. Below it is a "Similar Profiles" section featuring two profiles: Diego (Docente) and Cristhy (DOCENTE FIE), each with a profile picture and a "Read more" link.

At the bottom of the page, there is a row of logos for various partners and organizations, including RNP, RENATA, KOWAE, POLIA, CEDIA, SCALES, RAO, CUBI, RAO, REACOLUN, the European Union flag, and elcira.

# What can we do on Colaboratorio?

Communities: Creating and participate in academic/research groups

1. Communities created by you or those you are a participant of.
2. All Communities listed in alphabetical order.
3. All Communities arranged by scientific theme.
4. Communities filtered by scientific themes which correspond to the user profile.
5. Collaboration Map.
6. Creating a new community.

# What can we do on Colaboratorio?

Communities: Creating and participate in academic/research groups

A screenshot of the CLARA COLABORATORIO web interface. The page is titled "TANDEM - Focal Points" and shows a community with 10 members. The interface includes a left sidebar with navigation options like Home, Communities, Partner Finder, VC Espresso, SIMC, eNVID, and Global Agenda. The main content area displays the community name, a "Do you wish to share something?" input field, and a notification that "Carlos and 4 others have joined the group". On the right, there are sections for "Thematic Areas" (1 - Natural Sciences), "Discussions" (No Discussion found), and "Announcements and Events" (No Bulletins or Events to show). The top of the page has tabs for "Members", "Wiki", "Community VC Espresso room", "Uploaded files in the community", "Discussions", and "Announcements and Events". The bottom of the page features a row of partner logos including RNP, COE, CODIA, and others.
